November 2009 Meeting
Monday, Nov 9, 2009
Minutes**

Call to Order

The Concerned Taxpayers of Duval County (CTDC) meeting convened on Monday, November 9th at 6:09 PM.

October 2009 Minutes

The October 2009 minutes were not available.

Treasurer's Report

The treasurer's report was accepted without objection. The current balance was \$669.24.

TV Show

Tony Bates asked for volunteers to appear on the CTDC TV show to which several people responded.

New Media

The TV show videos are now on YouTube.

Three Fees

The Mayor is seeking to put the three fees as a special non-ad valorem item on the property tax bill. This would eliminate the separate billing of the three fees, but would allow the city government to place a lien against the property of the person not paying the fees. Also, the fees are not tax deductible like property taxes.

Legislative Delegation Public Hearing

The Duval County Legislative Delegation recently held a public hearing at which a lot of non-profits showed up looking for money.

City Ethics Board

Jack Webb will be appearing before the City Ethics Board to answer questions concerning his involvement with Republic Services and any possible conflicts of interest concerning his opposition to the no-bid contract.

City Budget

Tony will be setting up a meeting of CTDC members with city officials to discuss the new city budget website.

Adjournment

The meeting was adjourned at 7:32 PM .

Respectfully submitted,

Curtis Wolf
Secretary, Concerned Taxpayers of Duval County
